

U.S. law requires companies to employ only individuals who may legally work in the United States – either U.S. citizens, or foreign citizens who have the necessary authorization. This diverse workforce contributes greatly to the vibrancy and strength of our economy, but that same strength also attracts unauthorized employment. Federal law requires all employers to verify the identity and employment eligibility of all persons hired to work in the United States.

The City of Warner Robins participates in E-Verify (Employment Verification). E-Verify is an Internet-based system that allows businesses to determine the eligibility of their employees to work in the United States. We will provide the Social Security Administration (SSA) and, if necessary, the Department of Homeland Security (DHS) with information from your form I-9 to confirm work authorization. If we cannot confirm that you are authorized to work, we will provide you written instructions and an opportunity to contact SSA and/or DHS.
