**City of Warner Robins CHIP Grant recipient**

**Warner Robins, Georgia:** The City of Warner Robins is excited to announce its first CHIP, Community Home Investment Program, Grant. This is the first time the City of Warner Robins has applied for the CHIP Grant and it will continue to grow capacity for our Community and Economic Development Department. This grant specifically targets low-income residents who own their home and are in need of renovations such as new HVAC system, electrical work, plumbing, new roof, etc. This investment into existing housing stock within the City of Warner Robins will ensure we all have a quality place to live.

This grant will be available to residents who qualify based off their location and income. Specifically residents in Census Tract 204 or north of Watson Boulevard to Ignico Drive and N Pleasant Hill Road to 247 and residents in Census Tract 207 Russell Parkway to Wall Street and S Pleasant Hill Road to 247. Applications and more information on qualifications will be available on our website [www.wrga.gov](http://www.wrga.gov) this Fall.
